

2009/2010 Schedule

GU14 SSC Elite G95 Bellefeuille

Last year's team was coached and will still be coached by Jason Bellefeuille (USSF National 'B') and assisted by Sarah Hawkins which had an extremely successful 2008/2009 season. The team started off the year by winning the US Club Regional tournament in Boise and followed that up by qualifying P3 playing up a year. In August they traveled to Salt Lake City where they were semi-finalist in the Sparta Cup. When they returned home they then participated in their local Northwest Cup and finished 1st place (not allowing a goal the entire tournament). The girls ended up finishing first place in the U14 P3 Division. Spokane Soccer Club is looking forward to another great season under the guidance of both Jason and Sarah.
