

2009/2010 Schedule

GU12 SSC Elite G97 Dobson

This year's Girls U12 Elite Dobson team will be coached by Jeff Dobson. Jeff is entering his second year coaching for the Spokane Soccer Club and has just attended the National "D" coaching course. Jeff's coaching style creates a positive, fun learning environment, yet challenges the players to achieve their goals. Jeff has been playing soccer for the past 35 years and brings lots of experience to the club. The U12 girl's team coached by Jeff will be playing in next year's U12 District league. Spokane Soccer Club is extremely excited to have Jeff take on one of our U12 teams this year, and is looking forward to many great things from this team.
