

## **2009/2010 Schedule**

### **GU12 SSC Elite G97 Philp**

This year's Girls U12 Elite Philp team will be coached by Dan Philp. Dan has been coaching for the Spokane Soccer Club the past 2 years and currently has his National "C" coaching license. Dan's coaching style creates a positive, fun learning environment, yet challenges the players to achieve their goals. Dan also currently plays for the Spokane Spiders semi-pro team. The U12 girls team coached by Dan will be playing in next year's U12 District league. Spokane Soccer Club is extremely excited to have Dan take on one of our U12 teams this year, and is looking forward to many great things from this team.
